HOW IT WORKS

Attend **five LSO concerts** at the Lied Center for **only \$25** (price includes five tickets, including handling fees). You will be issued a punch card, which you will bring to the "Student Rush Pass" line at the LSO box office the evening of each concert to receive best available seating. Student tickets are made possible by the Lienemann Family Foundation Student Ticket Program.

- Return top half of form along with \$25 payment (cash or check only) to LSO.
- You will receive your Student Rush Pass in the mail. You must present the pass **along with your student ID card** at the LSO Box Office to receive your ticket the evening of each concert.
- You are welcome to use your pass to bring a friend to any concert (i.e. it would count as two tickets out of your allotted five tickets).
- The Student Rush Pass is non-transferable and has no monetary value.
- Email archie@lincolnsymphony.com with any additional questions.
