Our promise to you is that we will keep you informed and allow flexibility as we strive to create an environment where we can all share this art form together. SUPPORT LSO

ANNUAL FUND (Last year's gift: _____)

TODAY'S GIFT AMOUNT: _____

Dear LSO Family,

Recent events have been a catalyst for all of us to spend some time reflecting on our personal definitions of community and connection. As for our Lincoln's Symphony Orchestra musicians, we believe that music provides a uniquely intimate and meaningful way of communicating deeply with one another that cannot be replicated in any other way. It is critical that our city's cultural institutions continue to thrive, and we hope you'll support LSO's commitment to our community by making a tax-deductible contribution today.

Your Annual Fund donation enables LSO to fulfill our artistic mission by helping to provide salaries for more than 80 orchestra members. You also support education programs (such as school residencies, artist visits and student tickets) for 13,500 students in more than 100 schools, libraries, and community centers throughout Nebraska. With your generous gift, LSO will continue to remain strong and will serve our community to the fullest extent possible when we return to the concert stage.

LSO finds that the majority of our donors make their annual fund contributions on the following schedule: during subscription renewals, at the end of the calendar year, or on Give to Lincoln Day. We'll contact you at those times to remind you of giving opportunities. However, if there is a different time you'd prefer for us to contact you about making your gift, please don't hesitate to let us know.

We appreciate everything you do to support LSO's mission to present inspiring experiences that welcome all members of our community to discover and cultivate a profound, personal connection with live orchestral music.
